

CHANGES IN JOURNAL PRICES

This is to inform you that effective 2007, subscription rates to the East African Journal of Peace and Human Rights shall be changing as follows:

AFRICA

Individuals - \$35 per issue

Institutions - \$45 per issue

REST OF THE WORLD

Individuals - \$50 per issue

Institutions - \$70 per issue

(All prices quoted are inclusive of postage and packaging and the prices are per issue, since this is a bi-annual publication, a single volume of two issues is double the quoted prices)

Please note that these changes in prices do not affect Volume 12 #2 (2006) of the Journal which we are about to dispatch. The new prices come into effect starting with Volume 13(2007).

Furthermore, our international subscribers will be required to wire the money for the Journals directly into our account, as cheques will no longer be used as a mode of payment. When the money has been wired to our account, you will be required to send us an email with the details of the transaction on the email address fbirikadde@huripec.mak.ac.ug

We therefore advice you to take note of these changes.
